Tel: 01332 344341

July 2011

Dear potential member,

As a supporter, coach, friend or parent of a mini or junior player, we would like to invite you to join Derby RFC as a Club Member.

For many seasons now, requests have been received from various quarters as to how they can become a member of the club, albeit on a non-playing basis and take a more influential role in respect to how the club is run and how they can contribute to help to take it further forward.

As a Club Member, you will be encouraged to use your voting rights at any official club meeting and to become more actively involved in supporting the upkeep and maintenance of what is, in the main, a club run for the good of the game predominantly by volunteers.

The immediate benefits of becoming a member are as follows:-

- Full voting rights at any AGM or 'official' meeting appertaining to the running of the Club
- Discounted services for various Cathedral Quarter retail outlets and restaurants
- You will be assured an appropriate level of RFU insurance cover for those actively involved in coaching, volunteering etc.

Further benefits that we are seeking to introduce for future seasons are:-

- Members discount at the club shop
- Members discount on bar prices

Note: both of the above will be subject to take up of this membership and will only become due after the first full season of any persons membership

The membership will be on a strictly donation basis, although in line with other memberships, it is suggested that an appropriate donation may be in the order of £30 per annum.

Should you wish to become Club member, please complete the form attached and hand it to any member of the Derby RFC Ltd Committee, or should you have any further queries, please do not hesitate to contact any of them directly.

Thank you in anticipation for your support

The Directors and Members Derby RFC Ltd
